Kentucky
UNBRIDLED SPIRIT™

A Growing Need

The number of counties in the Commonwealth of Kentucky that have passed laws allowing some form of liquor sales has increased in the last several years. Due to that increase the need for server/ seller education has grown.

The Kentucky ABC promotes responsible alcohol service by training the people that sell and serve alcohol. Once trained, these people can be a positive force in serving and selling safely.

The mission of the Education Branch is to promote a program designed to ensure that alcohol and tobacco products are available only to legally eligible persons and that alcohol is sold and served responsibly.

We encourage voluntary compliance through statewide education.

S.T.A.R. Benefits

Seller and server training enhances public health and safety by:

- Educating licensees regarding valid and fake identifications
- Reducing alcohol sales to minors, which are illegal
- Reducing sales to persons who are already intoxicated
- Promoting responsible consumption
- Providing information to sellers and servers to protect themselves from third party liability lawsuits
- Educating licensees and their employees about KY liquor laws
- Responsible Service Certification which is mandated in many areas

What You Will Learn

Topics discussed in S.T.A.R. Training

- The effects of alcohol on the body and behavior, including interaction of alcohol with over the counter drugs
- Kentucky alcoholic beverage laws and regulations
- Intervention techniques for dealing with intoxicated and underage customers
- Responsible sales and service techniques
- The recommended forms of identification in Kentucky and how to spot a false or altered ID

Course includes 3-year certification and all class materials.

\$35 per person
